Re: License fees for 2021

At the December Board of Health meeting, the appointed members of the Board decided that the cost of all food service and salon licenses will be reduced by 50% for this year. Most licenses have expired, or were extended to expire on December 31, 2020. In the coming weeks you will receive a renewal application and information. The fee on the renewal should reflect the 50% savings. If not, please call our office.

While we will have to reinstate the full fee in 2022, the appointed Board members understand the challenges of small business owners and hope this gesture will assist in some way during these difficult times.

I wish you all the best of luck in the coming year.
