APPLICATION FOR BUILDING ADDITIONS, POOLS, ACCESSORY STRUCTURES

- Complete application form, pay fee. Submit a plot plan which includes:
 - Property lines, existing footprint of house, location of septic system and well (if applicable)
 - Separation distances from the proposed addition to the septic system and well (if applicable)
 - Location of the proposed addition or accessory structure in relation to existing structures, property lines, and if applicable, water treatment wastewater dispersal system
 - Area for future repair of the septic system
- If no soil data is available for the property you will be required to perform soil testing at your own expense. Soil data is required to determine if a code complying area is available
- Building modifications require current and revised floor plans
